

Inviting You to Review

Draft Preschool Learning Foundations – Volume 2

The California Department of Education’s Child Development Division has developed draft preschool learning foundations for public review. This review session will capture general comments about the domain. Participants will have the opportunity to develop additional examples for the foundations that are culturally and linguistically inclusive of all children including children with disabilities.

We invite you to attend a review session facilitated by the California Preschool Instructional Network (CPIN) to review and comment on these evidence and research-based foundations.
